You've heard about clay bars—professional detailers, body men and your car buddies all talk about how well they work. Now use the clay bar everybody wants. Better yet, our clay bar isn't hazardous to your paint—it's just firm enough to pick up the bad stuff, without being too aggressive. Use Mothers® Clay Bar to get rid of paint fouling grime and pave the way for complete waxing.

Instead of an all-in-one product trying to do multiple jobs, Mothers® has engineered three individual products to address three distinct facets of paint care. With the Ultimate Wax System® you decide what your paint needs—and when it needs it. Does your paint have minor oxidation, scratches and imperfections? Pure Polish is the perfect surface prep treatment. Need extra depth and luster? Micro-Polishing Glaze is formulated to give your vehicle that elusive, show-quality “wet look.” Want to wax without polishing? Pure Brazilian Carnauba Wax is pristine and pure, with no added polishes or cleaners. Best yet, Mothers® Ultimate Wax System® is absolutely safe for all paints, including clearcoats.

## Step 1

### CALIFORNIA GOLD® PURE POLISH

This is the foundation of the Ultimate Wax System®, preparing your paint for Micro-Polishing Glaze and Pure Brazilian Carnauba Wax. Pure Polish removes oxidation, old wax buildup and other contaminants, cleaning and shining your paint. This mild polish smoothes the edges of larger imperfections and removes small scratches. Your paint’s appearance is dependent on a good polishing—Mothers® Pure Polish should be used at least once or twice per year.

Regular application of Mothers® Micro-Polishing Glaze will increase your paint’s depth and luster. Whatever the color, it will give your paint added character and a brilliant, glowing shine. Micro-Polishing Glaze fills and hides minor swirls and defects, minimizing unsightly visual imperfections. It also contains a super-fine polish that further improves the paint surface. Micro-Polishing Glaze is key to giving both light and dark colors their perfect finish.

## Step 3

### CALIFORNIA GOLD® PURE BRAZILIAN CARNAUBA WAX

This is the final step on the path to a beautiful finish. Mothers® Pure Brazilian Carnauba Wax is made with the finest Brazilian #1 yellow carnauba for superior shine and protection. It is non-abrasive, so use it as often as you like. You can also apply more than one coat to keep your efforts well protected.
