EZLIP

Originating from the do it yourself garage door seal concept, EZ Lip has been committed to designing and developing innovative universal spoiler lips since 2010. With years of customer insight and focus on quality, we offer a growing selection of universal lips for every type of customer. With our rapidly expanding network of dealers all over the world, the EZ Lip is now the world's most popular universal spoiler lip. Our mission is to provide our customers with easy to use universal styling accessories for every type of driver.

Ultimately we hope to encourage and inspire you to take pride in enhancing the life, look and value of your vehicle. We hope you enjoy our products!

NEW DESIGNS

Dura-X Foam™

Our enhanced heavy-duty Dura-X Foam rubber compound offers maximum durability and life while maintaining optimal flexibility.

InvisEdge™

Our Patent-Pending InvisEdge feature helps create a seamless and professional appearance while protecting the tape from visibility and weathering.
