

Measuring Sheet - Non Standard Tray Tonneau

Please complete ALL questions to ensure speedy dispatch.

Once completed please fax to: 03 9729 8740 or e-mail to: invoicing@tto.com.au with your Order Number.

N.B. All 'Tray Tonneau Covers' sold are non-refundable and we are not able to give a credit note if incorrect measurements were given.

Tray Tonneaus hang 75mm over edge

- 1) Your name and company: _____
- 2) Your phone number: _____
- 3) Make of tray (if known): _____
- 4) Tray material: _____

Steel or **Aluminium** (Circle one)

5) All measurements **MUST** be completed in this question

- A. Inside length (mm) _____
- B. Inside width (mm) _____
- C. Side thickness (mm) _____

- 6) Are there existing hooks on the tray?
Yes **OR** No

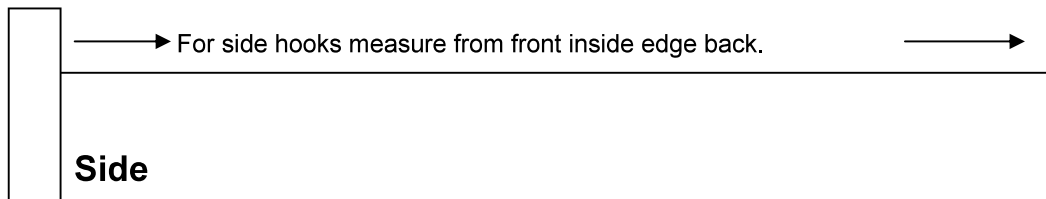

If **YES**, the location of EACH button must be shown on the diagrams below. Please note that only rope fittings are available.

- 7) If there are NO existing hooks, please select:
Individual bunji loops **OR** Eyelets and continuous rope

- 8) Is there anything inside the tray corners eg. trade rack, support wedge, angle etc? Yes ☐ No ☐

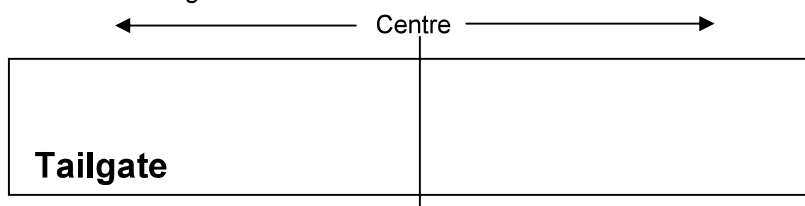

If **YES**, please complete additional information below:

- (a) Dimension of the Racks in mm (Diameter or Length x Width) _____ mm
- (b) Position of the Racks in mm from the rear internal corner (Rear) _____ mm
- (c) Position of the Racks in mm from the rear internal corner (Side) _____ mm

* The total of these measurements should be roughly equal to the internal length, please double check this.

Note: For tailgate hooks measure from the centre outwards.

When individual bunji loops are specified, the distance from the top edge down to the centre of the hook is needed

N.B The maximum Internal Width (B) available is 1,835mm, wider widths will require a join in the cover. Pricing will be advised at the time of enquiry.

N.B. Are there any wedges or angles inside the corners? If yes, see **Question 8**.
Only include the headboard if it protrudes into the tray into the tray.
